After Hours Emergency: If there is an after hour emergency, I can call the agency and follow the directions given on the recording or refer to the list I've been given for crisis assistance.

Telephone Confidentiality: In the event the Minnesota Mental Health Clinics staff must telephone the client for purposes such as appointment cancellations or reminders, or to give/receive other information, efforts are made to preserve confidentiality. If necessary we will identify ourselves as your therapist's/provider's office, we do not say the name of the agency or nature of the call, but rather the mental health professional's name only. If we reach an answering machine or voice mail we will follow the same guidelines.
