

Minnesota Mental Health Clinics Horizons Community Support Program

The pain passes, but the beauty remains.”

- PIERRE AUGUSTE RENOIR

June 2022

Important zoom information:

- * While you are in a Horizons zoom group, you must be within the state of MN, alone or only with another member of the Drop-in, and refrain from video or audio recording anything during groups.
- * We open groups 30 minutes prior to scheduled group time to give clients time to talk and socialize before group begins.
- * Please be mindful of discussion topics. Certain topics may be sensitive or trigger others.
- * This is a friendly and safe environment for EVERYONE! Please be respectful of others and treat them as you want to be treated.

Reminders:

- * We are looking for more and better ways to interact and support you all, so if you have ideas, give us a call!
- * If you find yourself struggling to use or access zoom, please feel free to give either of us a call. The range of our ability to help will vary, but we want to do everything we can to make sure that you are able to join if you desire to do so!
