### A Word From Staff

Hey guys, well, February brings a possibility of warmer weather. Also, a chance to celebrate President's Day and Valentines Day. There's more sunlight as we move towards the Spring equinox. Join us as we add some more groups and activities in February. — Gary

Hey, I'm Grace! I'm a Case Manager with Horizons and I've been with the Drop-In since August 2024! Love seeing new faces, stop in on a Monday or Thursday and introduce yourself! — Grace Price-Murphy

Hey guys! Hope to see you on a Monday! We love to see you as the days get longer and the winter weather (hopefully) lifts! Hope everyone has a wonderful Valentines day full of love and friendship. — Bria

Hello! Please join us at our monthly all member meetings! We love to hear feedback and this gives us an opportunity to learn what supports would be helpful to our members. Hope to see you there! — April

To participate in routes you must sign up by NOON the business day before. We are not able to accommodate requests after this time. Ensure you are updating the board and communicating with staff!

If you feel ill please stay home for the safety of ALL!

The first Superbowl was held Jan 1967, the Packers beat the Chiefs in LA. At the time it was called the AFL-NFL World Championship game, as the two leagues were on the verge of merging.
